* Number of participants in the proceedings = includes persons whose suits have not been decided yet by the DAMP or cases where the decisions have not become legally effective yet; cases which must be decided repeatedly.

** Total number of decisions = this column contains not only sum of positive, negative and terminating decisions but also self-corrective and other, mostly exceptional, decisions taken.

***Served decisions = this column also contains older decisions which were served on applicants during the given period. After being served with the decision the person stops being an applicant for international protection.
