The list of countries with a low risk of COVID-19 transmission is [here](#).

**The exceptions** to the obligations to fill the form and submit a PCR test result:

- if your stay in the red country didn't exceed 12 hours in last 14 days
- cross-border workers, pupils and students (only neighboring countries; it is necessary to cross the borders at least once a week back and forth)
- urgent travels because of health, family, business and work reasons for the period of time not exceeding 24 hours
- transit up to 12 hours through the Czech Republic

All exceptions to the obligations are described in the Ministry of Health Protective Measure [\(here\)](#)

\* as a result of the crisis measures issued by the Government of the Czech Republic **it is possible to travel to Czechia only for essential reasons**
