<sup>1</sup> PES - anti-epidemic system of the Czech Republic

- Green country** - country with a low risk of COVID-19 transmission
- Orange country** - country with a medium risk of COVID-19 transmission
- Red country** - country with a high risk of COVID-19 transmission
- Dark red country** - country with a very high risk of COVID-19 transmission

Country that is not on the list of countries is considered as a country with a very high risk of COVID-19 transmission.

**ATTENTION:** It is not possible to travel to the countries with an extreme risk of COVID-19 transmission. List of countries with an extreme risk is available on the website of the Ministry of Health.
